(c) Gazette Notification dated 7th July, 2003, *inter-alia,* mentions that the websites promoting hate content, slander or defamation of others, promoting gambling, promoting racism, violence and terrorism and other such material, in addition to promoting pornography, including child pornography and violent sex can reasonably be blocked. The orders for blocking websites were issued in terms of this notification.

(d) and (e) There are 404 ISPs in the country. As per information received from various ISPs and Internet Service Providers Association of India (ISPAI), the websites mentioned in DoT blocking order dated 13th July 2006 have been blocked.

Breach of privacy by private operators

1044. SHRI JANARDHANA POOJARY: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether it is a fact that a number of private operators have been issued license to provide GSM and CDMA telecommunications services to the public;

(b) if so, the details in this regard, with details of private operators providing such service, together with their area of operations, market share and earnings during the last three years-year-wise, *via-a-vis* State owned MTNLandBSNL;

(c) whether there have been incidents of breach of privacy of the customers by private operators; and

(d) if so, the details thereof and corrective measures taken in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEELAHMAD). (a) There are 76 Unified Access Serivce, 2 Basic Service and 63 Cellular Mobile Service Licences have been issued to privide GSM/CDMA based telecommunication services to the public.

(b) The details of revenue together with their area of operation in respect of private operators *via-a-vis* MTNL and BSNL are given in the Statement-I enclosed. (See below). The market share of various groups is given in Statement-ll. (See below)

(c) and (d) One incident of breach of privacy of customer based on allegedly forged documents was reported Regular meetings are held between Law Enforcing Agencies and Service providers to take corrective measures so that there is no breach of privacy of the customers by the private operators, Instructions for ensuring privacy of communication has been issued by the Government which *inter-alia* include the following.

For Telephone Companies:

— To issue acknowledgment letters to Security Agencies within two hours of the receipt of communication.

— To put in place of adequate and effective internal checks within their organizations.

— To have designated officers to receive the communication.

— Such communication to be handled by fairly senior level officers.

For Security Agencies:

— Only designated officers to convey the instructions for interception.

— Designated officers of the Security Agencies to deliver the letter to Service Providers.

— In emergent cases of carrying out interception.

— Post confirmation from the Competent Authority is to be provided within seven days of the issue of the orders of interception in emergent cases.

Statement-I

Details of Gross Revenue of the UASL/Basic Operators during the last three years
